I think that's fine by me, just need to get rid of that semi-colon after options.

I received this message from Earthjustice yesterday. We are scheduled to meet next week to discuss Hawaii's response and the IP. Any thoughts on how I should respond?

Hi Brittany,

I understand that you're managing the above Title VI complaints, in which my office represents the complainants, on EPA's behalf. If I'm not mistaken, the period for the agencies to respond to the complaint has passed. We're wondering whether EPA plans to try to convene an alternative resolution process among the parties, and if so, when and by what mechanism. Thank you.
